

Elevate your space

There's a reason that our Decor Sliding Door is an enduring and popular choice, it is simple in its functionality and beautifully streamlined in its design.

Decor Sliding Doors are available in an endless range of colours and mirror panels to suit any decor.

Choose a colour to complement your walls, or make the doors a feature themselves, with a woodgrain or contrasting colour.

Creating organised homes you love to live in, for more than 35 years.
