

Elevate your space

Our most customisable wardrobe door, available in sliding, bi-folding, or pivot options. These doors are incredibly smooth to slide, with anodised aluminium tracks and trims and a sturdy wheel system.

Each door can be sectioned up to five times with separate panels of melamine, mirror or glass. Fusion Sliding Doors are also available for extra high and extra wide wardrobe openings.

Creating organised homes you love to live in, for more than 35 years.

Fusion Features

- Floor mounted 9mm panels, aluminium track, multiple trim options available
