

## Elevate your space

Discover an industrial chic alternative to your usual organiser. Sleek aluminium stanchions create a minimalist look that can add class to any space.

Functional and customisable in design, you can create a solution that perfectly meets any storage, home office or entertainment needs. Innova systems can be dismantled and moved with minimal tools required, making them a great option for holiday homes.

*Creating organised homes you love to live in, for more than 35 years.*

## Innova Features

- We provide custom solutions to suit your unique space and requirements
- Available in 25mm Melamine, in over 100 colours and wood-grains
- Anodised aluminium stanchions
- Easily dismantled and moved
- Drawers available open-top, push to open or with handles of your choice. Premium Hettich or Blum, soft-closing
