

Elevate your space

Bring a beautiful sense of space, enhance the light in your room and create a seamless finish with our Frameless Mirror Sliding Doors.

Our mirror doors are laminated with a vinyl safety backing, while a patented anti-jump system prevents doors from de-railing out of tracks for guaranteed safety.

Creating organised homes you love to live in, for more than 35 years.

Frameless Mirror Features

- 4mm safety-backed glass panels, aluminium track in white or silver grey
- Floor mounted for extra reliability and ease of operation
- Patented Anti-Jump track system
